If you wish to visit my nurseries when on an automobile tour, you will find these directions helpful.

Marion, N. C., may be reached on Highway No. 10. About a mile west of Marion turn north on Highway No. 194; follow this direct to Ashford. After inspecting the nurseries continue on No. 194 to Crosnore, Altamont, to Pineola. Coming from Elizabethton take U. S. Highway No. 19 to Elk Park, then route No. 194 to Pineola and Ashford, thence continuing to Highway No. 10 to Marion. All roads are hard surfaced—concrete, macadam, and gravel.
